FINANCIAL CONSULTANTS
passion beyond compliance

WHO ARE WE?

Drop Financial Consultants is a black-owned full-service professional accounting firm where innovation and passion meet to empower for compliance.

Our name comes from a direct translation of the Sesotho word Lerothodi, which means a drop. In our case, this refers to the drop of water [expertise] we use to clean an ocean full of non-compliant enterprises. Through our expertise, we keep businesses from drowning in accounting and tax matters and drive them to sustainability.

Our Vision

To be a preferred accounting, tax and business advisory partner of choice for small to medium-sized businesses.

Our Mission

At Drop Financial Consultants, we strive for integrity in all our engagements by providing value-added services to our clients. We invest in our employees to ensure continuous professional development so that we provide the best value for our clients.

Our History

Drop Financial Consultants was registered in 2011 - first established in the Free State, and now operating in Gauteng. The founder, Pule Moekoa, worked in a municipal financial department for 7 years prior to starting the business. During that time, he realized that many small to medium businesses had problems with compliance. He has made it his mission to help them address these issues through Drop Financial Consultants.
